

## 15th MEDICAL BATTALION REUNION 2017

As you will notice on this schedule all activities will be held in the Grand Pavilion. This includes the hospitality/registration, breakfast buffets, meetings, auction, and banquet. We thought this would work out well for everyone. Also, The Draft House, which is a restaurant just down around the corner from the resort, was suggested because the resort has a shuttle to take you there and back at no charge. Of course, you are free to go wherever you want in Branson. The Draft House is just a suggestion for convenience. Enjoy yourselves and have a great reunion!!
